

## Horses from abroad – TRACES – certificate

Dear all,

Every horse travelling from abroad to Switzerland to participate in sport events needs a valid TRACES certificate. This certificate is issued by the government of the leaving country.

To ensure a correct process the following points need to be fulfilled:

1. When issuing the TRACES, the correct destination must be indicated. The White Turf event is registered in the Traces-system as follows:  
**Rennverein St. Moritz - White Turf, Via Serlas 23, 7500 St. Moritz, license number CH-GR-AME-030216**
2. The address of the stables is:  
**Via Tegjatscha 28, 7500 St. Moritz**
3. The details regarding the means of transport must be filled out completely.
4. The carrier has to be in the possession of a valid-long distance transports license.

In case of incorrect or incompletely filled out documents the customs authorities may refuse immigration or emigration.

Before leaving Switzerland, please contact the official vet a few days before leaving and please bring a copy of your TRACES certificate:
