White Turf St. Moritz 2024 - 117 years of international horse racing on snow

Upcoming White Turf Sunday without races

St. Moritz, 16th of February 2024 – **Due to the current weather conditions and the resulting condition of the racecourse, the Rennverein St. Moritz has decided with a heavy heart to cancel all races this coming Sunday, 18th of February. This decision was taken by the board of the Rennverein St. Moritz in close consultation with See-Infra AG as well as partners and sponsors. The event site will remain open on both days and admission is free of charge.**

During today's track inspection with a drone flight, the organisers discovered various cracks and damp patches that have not frozen overnight. Against all hope, it is therefore not possible to guarantee a track ready for racing on Sunday. As a result, the safety of horses, riders and drivers cannot be guaranteed and all races next Sunday, 18th of February 2024, have to be cancelled.

Saturday's Family Day will take place with a reduced programme. The public area and VIP area will also be open on Sunday and the Rennverein St. Moritz is looking forward to welcoming all visitors who want to enjoy the ambience on the lake. Admission to the area is free of charge.

All admission and grandstand tickets purchased will be refunded.
